

# A Prayer Declaration for Your Children

No weapon formed against them shall prosper. Every tongue that rises up against them will be condemned. Their bodies line up with the Word of God! No sickness or disease can come upon them, for they are covered by the blood of Jesus. They are tenacious, thriving and will fully walk in their destinies. The Lord guides us in how to raise them up, each according to their own bents, so that they will not turn from it when they get older. They will fully serve the Lord Jesus in the way He has designed them. In Jesus name,  
Amen!

*flourishing today*
