

# Prayer for Understanding This School Year

---

Teach us Your ways  
Lord, that we may  
walk with under-  
standing hearts.

Show us the clear  
distinction between  
right and wrong.

Help us to be brave  
enough to stand up

for what's right  
and glorify You in  
the process. Help

us to have a super-  
natural ability to  
understand con-

cepts that we learn  
this year. Teach us

more about who  
You are and how  
each subject we

learn points back  
to You. In Jesus'

name, Amen
